

ECOWASTE INDUSTRIES LTD.

Richmond Landfill Volume Incentive Plan (“VIP”)

effective for material received on or after November 1, 2005

<i>10 eligible loads in one month</i>	<i>5% discount</i>
<i>30 eligible loads</i>	<i>8% discount</i>
<i>50 eligible loads</i>	<i>12% discount</i>

Customers bringing in loads larger than 40 nominal cubic yards will receive additional credit.

The fine print.

1. Discounts will be calculated per single customer account, and will apply only to loads generated by that customer. (2 or more customers may not combine loads to generate a discount).
2. Discounts will apply to all loads covered by our standard Disposal Rates, where *VIP* is shown beside the description. Prices for specific materials or jobs not shown on our rates sheet will not be eligible for the VIP.
3. For loads larger than 40 nominal cubic yards, the “number of loads” will be based on a 40 cubic yards equivalent concept. For example, a 60 yard trailer will count as 1.5 loads, an 80 yard trailer will count as 2 loads.
4. The discount will show on the following month’s statement, if payment in full of the account is received on time.
5. Cash customers may join the program and will receive rebates by cheque.
6. Customers with poor payment history will be ineligible for the program.
7. This program may be altered or cancelled at any time.

Call the office @ 604-276-9511 for further information on the VIP.
